How it works

“Talent wins games, but teamwork and intelligence win championships.”
- Michael Jordan

Team Engagement Analysis: Your team will gain access to our custom team engagement analysis. We use this key information to get insight into team trends, strengths and challenges.

Individual Assessments: Each team member will get access to DiSC, MBTI, Enneagram and more through Cloverleaf, a dynamic and interactive assessment platform to help increase self-awareness in several key areas.

Purpose Under Pressure Kick Off Workshop: Leveraging data, insights and the power of shared purpose, your team will participate in a customized leadership development workshop. This session is designed to tap into intrinsic motivation AND identify key priorities to support optimal team performance, communication and productivity.

Team Coaching Sessions: Focusing on key goals and actions articulated in the kick off team workshop, teams will be part of a dynamic learning and coaching sessions to work toward goal achievement, growth and team development. The program culminates with the design of a go-forward strategic plan to support team effectiveness.
